

Bio-data

Dr.R.F.Sutar

Professor and Head

Dept. of Post Harvest Engineering & Technology
College of Food Processing technology & Bioenergy
Anand Agricultural University
Anand 388 110 (Gujarat)

Email: rfsutar@gmail.com
: rfsutar@aau.in
Phone: 02692-261302 (O)
Mobile: 09824386568

Personal Data

Qualifications: B.Tech (AgrilEngg) :
M.E. (Ag Process & Food Engineering) , CTAE, Udaipur
Ph. D , Thermal modelling , IIT Delhi :

Professional Experience: 30Years

Awards/Distinctions :

1. Sardar Patel Award of research in Agriculture (Gujarat State Govt)
2. ISAE Team Award for Development of e-courses on AgrilEngg

Specialization:

1. Post harvest technology for fruits & vegetables
2. Food Processing
3. Greenhouse environmental control
4. Biodiesel processing
5. Project Planning
6. e-Courses

Patents : Two

1. Equipment and method for dehullingjatropha seeds 2286/MUM/2010 A
2. Method and system for preparing biodiesel from jatropha seeds 2287/MUM/2010 A

Principal Investigator, Co- PIof NATP/ NAIP/ National Fund and other projects of ICAR

Member Board of **Post Graduate Studies, NIFTEM, MoFPI, Kundli, Harayana,,Academic Council,Research Council,Board of P G Studies,Board of Studies for Dairy Engineering**of Anand Agricultural University and Member **Scrutiny Committee, Gujarat Horticulture Mission, Govt of Gujarat, Gandhinagar**

Research Papers & Technologies

11 International Journals, 30National Journals, 9 Conferences and 4 book chapters
12 farmer related technologies developed

Research Guidance : M. Tech. (Processing & Food) –16 Ph.D.– 1
