The 8th ACPA will be held **14-17 October 2019** at Punjab Agricultural University, Ludhiana, Punjab, India.

More information about the conference hotel, abstract submission, and registration is available at www.8acpa.org.in

Respected Sir/Madam,

Online abstract submission for the 8th ACPA is continue at <http://www.8acpa.org.in>.

We invite you to submit an abstract for the various topics of the conference. Abstracts will be reviewed for suitability based on scientific content and clarity. Abstracts meeting these criteria will be accepted for presentation as either oral or poster presentations at the conference. Abstract length must be in the range 250 words with no figures, references or tables. Authors of accepted abstracts will be entitled to present their research at the Conference after payment of registration fees. They will also be entitled to submit full papers (more details later) for the Conference Proceedings in April of 2019. Conference Proceedings will be published on the website and will be available after the conference.

The abstract submission process requires a secured account on the 8th ACPA website. If you do not have an account, Establishing an account is free and easy. Please complete the online form at the following <http://www.8acpa.org.in/manuscript.php>. The email address you use will become your account login. All correspondence will be sent to this email, so please verify that it is entered correctly and that your email system will allow mail from the 8acpaorg@gmail.com domain. Check your junk mail folder if you do not receive your account information.

Shortly after you click Submit to create an account, the online-system will send you an email with a weblink. Clicking that link will activate your account. Once your account is activated you will be able to submit your abstract.

Deadline for submission of abstracts has been extended upto **May 31, 2019**. Questions pertaining to abstract submissions should be addressed to 8acpaorg@gmail.com

Sincerely,

Co-Chairs of the 8th Asian-Australasian Conference on Precision Agriculture
