

### **ISAE-Travel Grant for 50 students**

A maximum of 10 students from each sub disciplines (Farm Mechanization, Soil and Water Conservation Engineering, Processing and Structures and Energy studies), submitting very good research papers for **52<sup>nd</sup> ISAE Convention** (January 8-10, 2018 at Anand) through respective Technical Director, will be awarded **Travel Grant (Train travel by Sleeper Class/CC)** by the ISAE. These travel grants will be awarded by a Selection Committee as per the recommendation of Technical Directors. The selected students will have to present their paper in a special session of the convention. **All the student members are encouraged to submit papers for 52<sup>nd</sup> ISAE convention at Anand.**
