

Memorandum of Understanding (MOU)

between

Indian Society of Agricultural Engineers

and

Korean Society for Agricultural Machinery

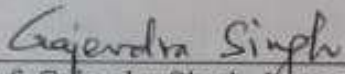

This Memorandum of Understanding is made on 13th August, 2013 between Indian Society of Agricultural Engineers and Korean Society for Agricultural Machinery, hereinafter referred to as "ISAE" and "KSAM".

1. ISAE and KSAM hereby agree to encourage academic cooperation through exchanging information, membership, and journal papers for achieving the goal of each society.
 - (a) To share official data on agricultural mechanization by providing the yearbook published by one to the other free of charge;
 - (b) To share memberships of the two societies by inviting a limited number of joint members and exempting them from membership fees;
 - (c) To promote academic information exchanges by publishing journal papers of the other country as well as exempting from publication fees;
 - (d) To promote other activities such as international collaborative projects or providing discount on conference fee for the invited members, which may enhance the above-mentioned goals.
2. The visit of members from one society to the other based on this MOU shall be subject to the entry and visa regulations of each country.
3. All expenses for the academic exchanges that are not clearly mentioned in article 1 shall be the responsibility of the participating members and determined on a case-by-case basis. However, each side will make its best efforts to provide available conveniences for the visiting members.
4. This MOU is incorporated into, and will provide the foundation and framework for projects developed by academic and administrative units from the two societies and documented in other subsequent Agreements.
5. This MOU shall commence on the date of its signing and shall remain in effect for

two years following the date of signing. This MOU is subject to revision and termination at any time by mutual consent or by 90 days' written notice by either party.

6. Details on the article 1 shall be determined by the administrative unit of each society that handles international affairs. Any dispute arising out of the interpretation or implementation of this MOU shall be settled in good faith by friendly consultation between both societies.
