

Journal Publishing Agreement Form
Journal of Agricultural Engineering (India)
Journal Publishing Agreement

The authors mentioned below hereby submit a research manuscript entitled <

> for consideration of publication in the *Journal of Agricultural Engineering (India)* (hereinafter called “JAEI”) published by the Indian Society of Agricultural Engineers, New Delhi (hereinafter called “ISAE”), and certify that:

1. Each author has participated sufficiently in one or more activities of the reported research work (as conception, design of reported research, analysis of data, writing of the said manuscript), and is responsible for it. The contribution of each author has been mentioned in the manuscript. All authors have duly seen and agreed to the version of the manuscript submitted to the JAEI.
2. The contents of the manuscript have not been published in any form, partially or in full, anywhere till date. The authors have neither submitted nor shall be submitting the same anywhere else for publication till a decision on its publication is communicated by the JAEI.
3. The data and results embodied in the manuscript are from an original research work of the author(s).
4. The author(s) have satisfied themselves that all contents of the manuscript including text, data in any form in text/ table/ graph, photograph, illustration/ figure, or in any other form do not attract plagiarism, including text-recycling, or self-plagiarism regulations.
5. The authors undertake full responsibility for the data/ statements/opinions contained in the manuscript. The publisher (ISAE) of the JAEI and its officials are fully absolved of the same by the authors.
6. Due mention of the organisation(s) where the research work was undertaken has been made and funding obtained are duly acknowledged.
7. There is no conflict of interest on the manuscript. Competing interest in disclosure of the research work has been considered by the authors.
8. The authors have included information on any pre-print submission of the manuscript, and agree to update the pre-print record with a DOI and a URL link to the Version of Record, if their manuscript is accepted and published in the JAEI.
9. In case the reported research work in the manuscript involved use of humans or animals as subjects in any form, such work was carried out by the authors in accordance with the applicable laws and ethics. Informed written consents of the human subjects were taken by the authors, and are on record.
10. The authors have conformed to the highest standards of ethical policies of the JAEI in the submission of accurate data/ statements, and that they acknowledged the work of others when applicable.
11. The revision(s) as per comments by reviewers/editors will be carried out in a time-bound manner. The authors agree that, if requested for verification by the editors, they shall make available the data upon which the above manuscript is based.
12. Unless under extraordinary situation, the manuscript will not be withdrawn during the course of review/processing. A written permission of the Editor-in-Chief shall be required for the same.
13. Upon acceptance of the manuscript for publication in the JAEI, authors shall transfer all copyrights in and to the manuscript in all forms and media to the publisher (ISAE). The authors, however, reserve all proprietary rights (as patent right), other than copyrights.

Signature of all authors with name, designation, and date.
